Dudley St. & Washington St.
Jersey City Financial District

WHAT HAPPENS AFTER CROSSING THE HUDSON?

T.H.E. NJ/NY Plan Transportation Assistance

When you arrive in New Jersey, buses will take you to designated transportation centers. At each center, more transportation options will be available to get you closer to your home town, family, and friends. Because T.H.E. NJ/NY Plan is designed to keep the roads clear for emergency vehicles, please do not retrieve automobiles until the emergency event has ended.
